C.M. CUMMINGS -- Bucklin, Kans. sells 5 bulls and 24 females. The bulls are sired by Claymore Frontline, Lane View Dazzler and P F Priam 10th. From this strong herd that has been in the business for over 40 years, comes 24 choice females, including 20 young cows with popping good calves at foot. These cows are daughters of the former Kansas grand champion, Broadlawn Norseman 23d, Woody's Ransom, P F Priam 10th, Claymore Frontline and many of the females carry the valuable service of KICKAPOO NOTEWORTHY, 5th prize summer yearling bull at the 1962 Chicago International Livestock Show that was purchased in April from Kickapoo Farms, Kenosha, Wis.

DORSEY ELLIOTT -- Sublette, Kans. sells 1 bull and 10 females. Elliott features the get and services of the \$2,650 LEVELDALE CUSTOM, whose first calf crop included a group of steers that made a grand record at the Oklahoma State Shows this past spring and he is by the Perth reserve junior champion, Morphie Paymaster. 10 Elliott cows include 9 with calves at foot and these are daughters of Edellyn Bullion, Clear Creek Gambler, Curtiss Candy M Ross, Duncrahill Chart, Upright Leader, Golden Oak Talisman 4th and several of them have been rebred to the new Elliott herd bull, Woodhead Umberto, that placed 2nd in the 1962 Perth, Scotland sale. A full brother this year in Scotland, was a 1st prize bull and was sold to New Zealand. Several of the Elliott cows have outstanding steer calves at foot by Leveldale Custom, that are real show prospects.

CLARENCE RALSTIN -- Mullinville, Kans. sells 3 bulls and 33 females. From the Ralstin herd comes a grand group featuring the sons and daughters of LOUADA CHANCELLOR and Northwood Adventure, both outstanding breeding sons of the \$50,000 Bapton Constructor. The three bulls are all by Louada Chancellor and Ralstin sells 15 cows with classy bull and heifer calves at foot by the above two bulls and it was Northwood Adventure that cost him \$5,000 in the Northwood Sale two years ago. In this group are 17 daughters of Edellyn Grand Knight, grandson of Calrossie Good News and the Perth champion, Calrossie Mercury. The Ralstin offering, like that of the two other consignors, features the best bloodlines in good-doing Shorthorn cattle.

3rd ANNUAL Shorthorn SALE

Jim Wells, Frederick, Okla., F.F.A. member with his 1st place Shorthorn steer at the 1963 Oklahoma City Show. This steer was a member of the champion group of 5 steers of the entire show and was sired by Leveldale Custom.

Here's a "BREAD AND BUTTER" Offering Selected Especially For You

It's a pleasure to recommend this fine group of Shorthorn bulls and females to our friends everywhere. In the first place, it's a consignment from three of the Midwest's most highly regarded herds. Each one of these three cattlemen have demonstrated their ability to breed and produce good Shorthorn cattle. Theirs is no secret; the selection and purchase of top herd bulls over a period of many years, is the program that each of these men have followed and it's paying off for them. Charlie Cummings has travelled thousands of miles, looking for just the right bull; many times he didn't find it and he went home empty-handed. He kept looking however and eventually, he found what he was looking for, although many times the price was probably more than he thought he should pay. It was only this past spring that he went to most of the top sales in the country and he finally ended up buying at private treaty, the 5th prize summer yearling at the 1962 Chicago International Livestock Show, Kickapoo Noteworthy, whose service will be among the features of his consignment.

Dorsey Elliott went way to Perth, Scotland in 1962, looking for the herd bull that would suit him and he bought the 2nd prize winner, Woodhead Umberto. Prior to that time, he had bought Leveldale Custom for \$2,650 in the Mathers Bros. Sale and calves from his first calf crop were top winners in this spring's strong Oklahoma City Show.

Clarence Ralstin is at the present time, using two outstanding breeding sons of the \$50,000 Bapton Constructor. The first of these is Louada Chancellor whose sons and daughters have already proven themselves. Two years ago, he paid \$5,000 for Northwood Adventure, one of the most popular bulls in the Northwood Sale and his first calves now selling in this sale, will certainly be among the attractions.

These three breeders have been "Doin' Things" to improve quality in their herds. You as a progressive cattleman will never have a better time to think about improving your own herd and you can do something about it on Nov. 9th at Dodge City.

LEVELDALE CUSTOM - Purchased in the 1960 Mathers Bros. sale for \$2,650. His get and service will be a feature of our consignment and we believe you will agree he is passing on his great head, depth, thickness, sound legs and bone, style, fleshing and smoothness. His sire, Morphie Paymaster, was reserve junior champion at Perth as a March calf. His great granddam also produced Leveldale Capitol, many times grand champion, that Mathers sold to Elmcrest Farm at \$7,000. Leveldale Custom was reserve junior champion at the 1960 Illinois State Fair and a member of the 1st prize two and three bull groups. A number of steers sired by Leveldale Custom placed high at the 1963 Oklahoma City Show, one of them was a 1st place steer and a member of the 1st prize County group of 5 steers.

SATURDAY, November 9, 1963

1st prize county group of 5 steers, 1962 Oklahoma City Show. Two of the above steers were produced in the Dorsey Elliott herd.

NORTHWOOD ADVENTURE - The most popular bull in the record-making Northwood Sale where we purchased him for \$5,000. Northwood used him liberally and some of the first calves sired by him at Northwood are most outstanding. His dam is one of the best females in the Northwood herd and was purchased for \$3,800 in the 1958 Louada Manor sale. Gordon Blackstock said that another daughter of hers, Northwood Broadhooks 2d, purchased in the Northwood sale for \$5,100 by Temple Farms, Wadsworth, Illinois, was one of the best females ever to be sold any place at auction. His get and service are a feature of our consignment.

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
